

Głoski z Wioski: And so, we have the last release of our newspaper.

N: Do you feel sad about that?

Głoski z Wioski: I think, a bit yes. Or maybe not at all?

O: Are you satisfied?

Głoski z Wioski: I'm not sure. I heard lots of very pleasant opinions, that the texts are good and the layout is really nice. On the other hand, sometimes I felt useless, I was lying all day long in the barn and no one wanted to open me.

P: Maybe you didn't have good advertisement.

Głoski z Wioski: I think, yes.

R: And I'm satisfied! We made it well! And today's edition is full of beautiful texts. Especially, Rafał's one. He came out with the analysis of the "Teatr Węgajty" phenomena.

Głoski z Wioski: To sum up, enjoy your reading! We hope that the dialog won't be cut, even if the festival has come to an end.
