

Go ahead! Now to the left! No – go back! Geradeaus und herum! By the sea, to the forest – no, wait, get back on the hi way! We hear people screaming in different languages, answering the question: “How to be<<there>>in order not to be<<here>>. Wiktor Malinowski listened to the instructions very carefully with the humbleness and devotion. That was the act of looking for something important in our life, maybe even more important – like Holly Grail. Everyone can interpret the meaning of it and choose the right way to the spiritual perfection.
