Dear Wacek, Mute, Trev, and Wolf, Thanks for the long fax and we must now wait and see if I can be successful with my application. Things have changed so it is not a foregone conclusion. Please try as hard as you can on your side to try to get more funding as well. Well as for my dates. As I said in my last mail 16th to 25th of Feb (which is just before your Spanish trip if you are still going). I am sure the Kalevala could do with some help if you would like it. I could also work in Warsaw for this time if things with Mietek the Waldorf School and the Cheerful Hamlets get it together. Let me know asap. My next good time could be in April exact dates as yet not certain but after Easter perhaps for a week. Then from the 25th May till the 5th June (or 10th at a push if need be- especially for the Danielis) Then I can come from the 25th of June till the 5th of July (or the 6th if I fly) Hope this is ok for the summer school but it is all I can do as I will be in Spain from the 7th July till the 21st. After this I will be free again in August from the 7th onwards, and for Jaroslaw of course. I need to be back for rehearsals in Switzerland on the 17th of September (or the 24th at a push if there are Danielis performances). This still needs further confirmation from my fellow actors. I could also come dependant on "The Caretaker" performances at the end of October/ beginning of November or from the 14th of December 2001. And then we begin again. Thats all for now. Much love Geoff. O Trev darling you mentioned knowing someone in the British Council G.B. Could you let me have his address, as perhaps I can try to raise some funding from blighty. Perhaps you might have an idea or two about this
